

Catchment Brewing Co.

Beverage Menu

We brew fresh, flavoursome beer in our restored art-deco West End home. Our menu, like our local community, is a coming together of eclectic influences; good food, wine, cocktails and spirits all unified by beautiful beer. Enjoy!

Our beers, brewed fresh, here in the Catchment

Bright Ale 245ml - \$6 490ml - \$9 ABV: 4.4% IBU: 14

Brewed in response to summer in the Catchment, our Bright Ale exudes fresh hop aromas and flavours of citrus and tropical fruits. The light to medium body provided by pale Aussie and German malts are balanced with just enough bitterness to keep it refreshing and restorative.

Pale Select 245ml - \$6.5 490ml - \$10 ABV: 4.7% IBU: 25

Pale Select is a pale copper-colour and bursts with fresh orange, resin and lychee aromas. German specialty malts and Australian base malt balance the moderate hop bitterness and round out the flavour and finish. A special brew indeed.

The 500 IPA 245ml - \$7 490ml - \$11 ABV: 6.1% IBU: 60

Lots of HOPS. Delicious, rich barley malt barely contains the firm hop bitterness that sends you back for another sip, and another and another. The 500 IPA showcases US and Australian hop varieties and favours balance over shock factor.

Silver Medal - ACBA 2016

We also produce some delicious speciality brews from time to time. Ask our friendly staff, or see the blackboard to find out what we've got on offer now!
